The annual Big Game Judging Day will be held in the Lundbreck Livingstone School auditorium on January 15, and the Willow Valley Trophy Club are completing plans to make the event better than ever.

The events will get underway at 1:30 p.m. sharp and one of the highlights will include an address by Paul Presidente, Hunter Training Officer of the Department of Lands and Forests.

Trophies and other prizes will be awarded for sheep, goat, elk, mule deer, non-typical mule deer, whitetail deer, non-typical whitetail deer, moose and antelope. All scoring will be done according to Boone and Crockett Scoring Charts.

Those entries whose measurements are large enough for official rating, will be forwarded to Boone and Crockett Club of New York.

In the Challenge Trophy competition the "Ed and Babe" trophy is to be awarded to the holder of what is judged to be the largest trophy head of Alberta big game in elk, mule deer, non-typical mule deer, white tail deer and non-typical white tail deer, moose, sheep, goat, antelope, cougar, grizzly bear and black bear killed during the past year.

The Harry Freedman trophy for the biggest cougar killed during the past year will also be presented as well as the Charter Member trophy for members only for elk, mule deer, sheep, goat and moose.

The club have advised that any big game regardless of the date killed before January 1, 1965, or by whom killed (name must be given) are eligible for the Grand Champion Trophy for each of the following animals: sheep, goat, elk, moose, mule deer, non-typical mule deer, whitetail deer, and non-typical whitetail deer.

For the Grand Champion Trophy any person may enter by joining the club any time prior to the judging of a head.

The club has indicated that to be eligible for any trophy other than the Grand Champion, sportsmen must have become a member before September 1st in big game. In fish competition membership must have been taken out

prior to the fish entry being caught. Memberships have been increased by 50c this year to cover the club's operating budget.

With regard to the fish competition, the club has pointed out that trophies and prizes will be presented after the big game judging. In the event of a tie the first entry received by the club will have priority on the prize.

Sportsmen are reminded that the big game heads may be delivered to the club on or before January 7 or they may be left at any one of the following pick-up stations:

Lundbreck Trading Company, Jerry's Sport Shop or Slickoff's Hardware at Bellevue, Crows Nest Pass Motors, Blairmore, Rudy's Texaco Service, Coleman; Co-op Hardware, Cowley; Cleland Sales and Service, Pincher Creek; Kozzy Imperial Service, Fort Macleod; Pete's Wheel Alignment Service, 518 - 5th St. South, Lethbridge and Lawrence Halmstrat of Warner or A. Big game heads within a radius of 25 miles from the above pick-up stations must have their game heads there before 12 noon January 7th and earlier if possible, so that judges have a chance to check measurements.

Only those heads which are mounted or in the process of being mounted or who are outside the 25 mile radius will be accepted on January 15th. All entries should be accompanied by a tag bearing the owner's name and address and time and place of kill.

Game heads must be presented to complete for the trophies and the prizes.

Firemen Enjoy Christmas Party

Santa's timely visit at the Coleman Volunteer Fire Brigade's party for members' children was very successful as the grand old man was mobbed by the young people and led to the most comfortable seat in the house next to the Christmas tree.

Movies were enjoyed by the young people and hot dogs, pop and coffee were served.

St. Nick called on each of the young people and presented them with lovely gifts. After a session of carol singing Santa left to make other calls and the youngsters were each given a bag of Christmas goodies and oranges.

Games were played and a lunch enjoyed after which Santa arrived and presented each child with a gift and candy.

Legion Park to be Centennial Project

Coleman council, at its meeting last week, gave second reading to a by-law that will see Coleman's Centennial project provide the town with one of the most colorful memorial parks in the district.

Council are working hand in hand with the Colman Legion, whose idea for a Centennial project was accepted after the local Centennial committee failed to come up with any suggestion for ideas on how the money should be spent. The council are also working in co-operation with the Improvement District so that the money can be pooled satisfactorily for a project that will benefit both. An estimated cost of the entire park will be approximately \$8,000.

Tentative plans presented on a rough sketch show that a new concrete fence will be built on the south side of the park and walks will be completely renewed.

Good sized spruce trees will be planted in various locations surrounding the grounds and benches will be placed on the lawn area for seating.

A bird bath will also be installed and an underground sprinkling system is to be laid. Floodlights are to be placed at strategic positions for effective lighting purposes. The Centopark in the middle of the grounds will be repaired and a six foot high soldier statue is to be erected on top of the Centopark. Bowling greens are to be improved in the park area.

Council also gave third reading to a by-law providing for a number of sewer extensions in various parts of town.

December 27th was declared a civic holiday and approval was given to giving each Coleman citizen in the Crestview Home at Pincher Creek a \$5.00 cash Christmas gift.

1966 New Year Message

by the Honorable E. C. Manning,

Premier of Alberta
The sands of time have run out on the Old Year, and as we look forward with anticipation to what 1966 holds in store, I welcome this opportunity to extend to everyone sincere best wishes for a year filled with good health, happiness and prosperity.

While 1965 had its measure of hardships and problems, we in Alberta, were again fortunate, experiencing another year of dynamic economic growth, prosperity and social progress. Practically all phases of our industrial economy showed healthy increases. Our labor force was employed close to capacity with labor income up 12 per cent over 1964, and a shortage of qualified manpower evident in technical areas. Alberta's construction industry was strained to the limit, necessitating deferment of some major projects. All sectors of mineral production continued to show handsome increases with the oil and gas industry leading the way and there is no evidence of a let-up in this direction. Manufacturing, wholesale and retail trade were again well ahead of the previous year.

Farm cash income, at last report, was up almost 8 per cent and the recently announced new wheat sales to China and Russia are bound to have a beneficial impact on the prairie economy for some time to come.

All indicators point to a very optimistic outlook for 1966 in Alberta.

Nationally, among uncertainties, is the report the United States is contemplating the tightening of capital markets to Canada as a source of funds. The extent to which such action, if followed through, will affect Canada's industrial growth remains a question mark at this time.

Always keeping in mind the ever changing circumstances, the Alberta Government will, in the year ahead, implement the new programs and policies announced recently, designed to maintain this Province's position of leadership in social and economic progress.

These comprehensive programs and revision of policies will encompass all departments of government, including a new Ministry of Youth, which will stimulate interest in youth training for leadership in social, cultural, recreational, business and public affairs.

Returning to the national scene, we are still confronted with political instability and lack of definite national policies. Only through a realignment of political thinking and a return to a set of sound, basic principles can a sufficiently strong, constructive political force be created in Canada to restore the national stability our country so desperately needs.

As we enter this New Year, let us all bear in mind the great need to always work for the betterment of our fellowmen and look to God for His guidance.

Many Christmas Parties Held

Christmas parties for both young and old have been going full swing during the past week, and while adult groups enjoyed dance parties, young people attended Christmas tree parties that included playing games, singing carols and visits by St. Nick.

Some of the groups which held parties were the Crows Nest Pass Nurses, Phillips Cable Plant employees, the Junior Forest Wardens, the Firemen, Legion, Lions, Elks, Lime Works employees and others.

All events were reported highly successful and well attended.

"Thrift Store" To Be Opened

A group of women representing various Crows Nest Pass women's organizations, met in the Coleman Credit Union offices December 9th to formulate tentative plans for the opening of the "Pass Thrift Shop".

The shop, to be located in the building next to the Coleman Credit Union office, is a venture of the Crows Nest Pass - Pincher County Family Service Bureau to raise funds.

The stock to be handled in the store will comprise donations of clean clothing, toys, furniture and other items of use to the householder. A nominal sale fee is to be charged for the goods, making buys attractive to consumers and at the same time benefiting the Bureau.

Clerical and other work is to be done on a voluntary basis and persons who have one or two afternoons a month free and who would be interested in aiding the Bureau in their good work are urged to contact any of the Church groups in the Pass area.

Plans call for the shop to be opened as early as possible in the New Year.

Dear Mr. and Mrs. Holstead:
Enclosed find \$2.50 for a renewal subscription to The Journal. Hope this finds you both well. Best wishes for the Holiday Season.

Not long before he died, President Kennedy issued a challenge: "For too long we have neglected the mentally ill; this neglect must end." Compassionate understanding is now replacing punishment for the mentally ill, and recoveries are mounting. Read about it in the free pamphlet "What is Mental Illness?" available from the Canadian Mental Health Association, 612 Revillon Building, Edmonton.

Falls In Home Greatest Danger

Falls account for 46 per cent of home accidents, with fire close behind, according to the National Safety League. NSL offers some ideas to keep tragedy out of home at this season.

Keep walks and steps free of

ice and snow.

Keep displays and decorations clear of walks, pathways and doorways.

Don't carry a pile of packages to obstruct vision.

Keep packages on easy-to-reach shelves or in drawers, never on floors or stairs where they can trip someone.

Give the children a box or bag for gifts. Toys scattered around the house may send Grandma tumbling.

Use a sturdy ladder, never a makeshift such as a chair or piled books or boxes.

Never reach from a ladder. Get someone taller or with longer arms to put the star on the tree top. Holidays always increase fire hazards around the home claims NSL. Fires, burns and fire-associated accidents accounted for 25 per cent of last year's home fatality victims.

For this season the League suggests: Keep the tree in water so it will stay green and be less vulnerable to fire.

Never place candles near tree, curtains or other flammable materials. Use hurricane lamps over them for safety and added attractiveness.

Keep matches in hard to open containers away from children. Discard frayed electric cords before a short-circuit produces shock or fire. Make sure lighting sets carry CSA labels.

Use nonflammable materials — metal, glass, asbestos — for decorations wherever possible. Be sure combustible materials are flame-proof.

Never use electric light sets on metal trees. Use off-the-tree spotlights or floodlights instead. A voltage leak can bring death, destruction or suffering in an instant.

Decorations and trees can be hazards to children. They chew ornaments, light bulbs or any bright object that looks good enough to eat. This could result in tragedy.

Parents are responsible for their own children and visiting children. Make sure to cover empty electric sockets or outlets on trees and decorations and make certain decorations are securely fastened.

Firearms received as Christmas

gifts call for particular care. More than half all fatal firearm accidents occur in the home. Be sure they are not loaded in the house and never leave them within reach of children.

When Christmas is over, hazards remain. Dispose of wrappings at once. Place them in a metal-covered trash can or burn them without delay. Dispose of the Christmas tree. If the municipality designates tree disposal, follow the rules. Otherwise take it to an open area and burn it, keeping a fire extinguisher handy. Dry trees sometimes burn with explosive violence. Dispose, too, of dried-out decorations.

"If Canada's 19,000,000 people each assumed the moral responsibility of being 'his brother's keeper,'" said Gay McLaren, general manager of NSL "Christmas would not be blighted by hundreds of deaths and tragedies."

Dear Tom:

I enclose a money order for the renewal of my subscription to The Journal.

ALBERTA JUNIOR CITIZEN OF THE YEAR BULLETIN:

DIDSBURY GIRL HONORED FOR ENTERPRISE AND COURAGE

Fifteen-year old Fay Johnston has had complete charge of her home since her mother died four years ago. Ever since she was eleven, she has made a home for her father and brother — and intends to keep on doing so. She has cheerfully taken over the shopping, cooking, baking and a multitude of other household chores.

Undaunted by this great responsibility, Fay has kept her five horses. She exercises, grooms and trains them for entry in various horse shows.

In addition to all this, Fay is active in community affairs.

She is a member of the Didsbury Light Horse Association and Westcott Hi-C Group, and in 1964 was chosen Rodeo Queen of the Didsbury Little Britches Rodeo.

We congratulate Fay. Our thanks to Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Mrs. James Currie, Editor of the Didsbury Pioneer.

New Year's Message

J. Percy Page,
Lieutenant-Governor of
Alberta.

Once again we have reached the end of the year and it is my great

pleasure to bring you greetings as the representative in Alberta of Her Gracious Majesty Queen Elizabeth II.

As this will be the last time that I shall be greeting you as Lieutenant-Governor, I would like to add my own best wishes to you all and to say how much Mrs. Page and I have enjoyed representing Her Majesty in this wonderful province of ours, for the past six years. It has been a tremendous experience for the both of us, and one that we shall never forget. One of the outstanding results of our period in office has been the vast number of people with whom we have become acquainted, and we have found this to be most rewarding.

As I have said before, reaching the end of a year is like the end of a journey, and to me it is a time to pause and look back before moving ahead. It is also a time to thank Providence for our safe arrival and to seek Providence for our future efforts, and our future journeys through the years.

Here in Alberta we can truthfully say that our efforts have been blessed in 1965. In practically all fields of endeavor our province has made excellent gains, resulting in the creation of more employment and an increase in productivity.

While the international situation remains grave and uncer-

tain, I am convinced that common sense and diplomacy will prevail and that our leaders, with the help of Almighty God will be able to solve the great problems facing the nations today without the necessity of plunging the world into a suicidal conflict.

And now the time has come for me to say farewell to you as Lieutenant-Governor. I wish each and every one of you happiness and prosperity in the New Year, and my earnest hope is that my successor receives the same welcome and splendid treatment that Mrs. Page and I have experienced in all parts of the Province. To each and every Albertan we say thank you and may God bless you.
